

WELCOME

Issued: 20.08.2019

TO THE CITY NORD OPEN 2019!

We are looking forward to a fun weekend with you and lots of birdies in Hamburg!

We are celebrating 60 years City Nord that weekend! The park will be illuminated on Saturday night plus wine & beer. An alternative will be the craft beer festival.

However, there will be craft beer at the course.

Join us in Hamburg, your DGCHH

LODGING

There are many hotels, bed&breakfasts, etc. available in Hamburg. You should be able to find something to your liking.

We highly recommend “Holiday Inn City Nord”. They offer a special rate of only 59€ per night incl. breakfast. It is a 5min walk to the course, it has a Disc Golf Trick Shot course and you can reach the city center easily.

Please tell them that you are here for the Disc Golf tournament in order to receive this special rate.

CITY NORD OPEN

Hole 1

Par3

99m

Paths left, right and behind the baskets are OB. The paved area right of the tee is OB. Beyond these areas is OB as well.

Blind basket – spotter required!

Hole 8 runs parallel – watch out!

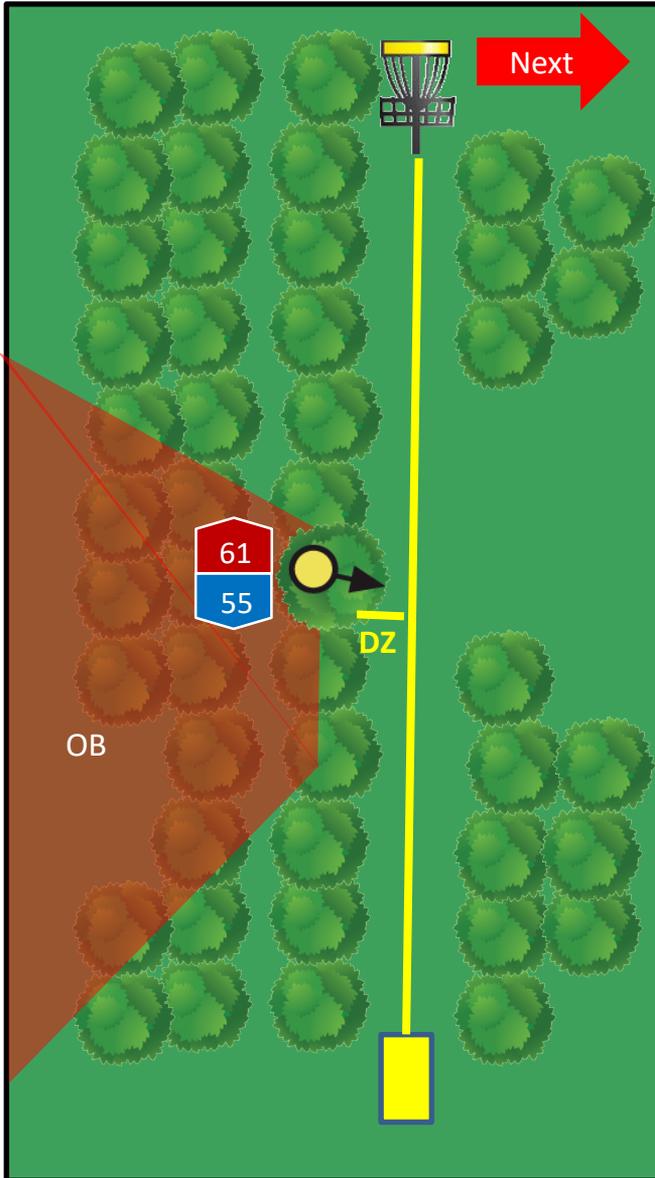

Spotter required! Hole 8 is close

Hole 2

Par3

116m

OB left if you go past the fence of the kindergarten. And OB before the fence in marked area.

The path to the right and beyond is only OB after the first row of tiles. The first row of tiles is not OB!

Try to hit as few trees as possible.

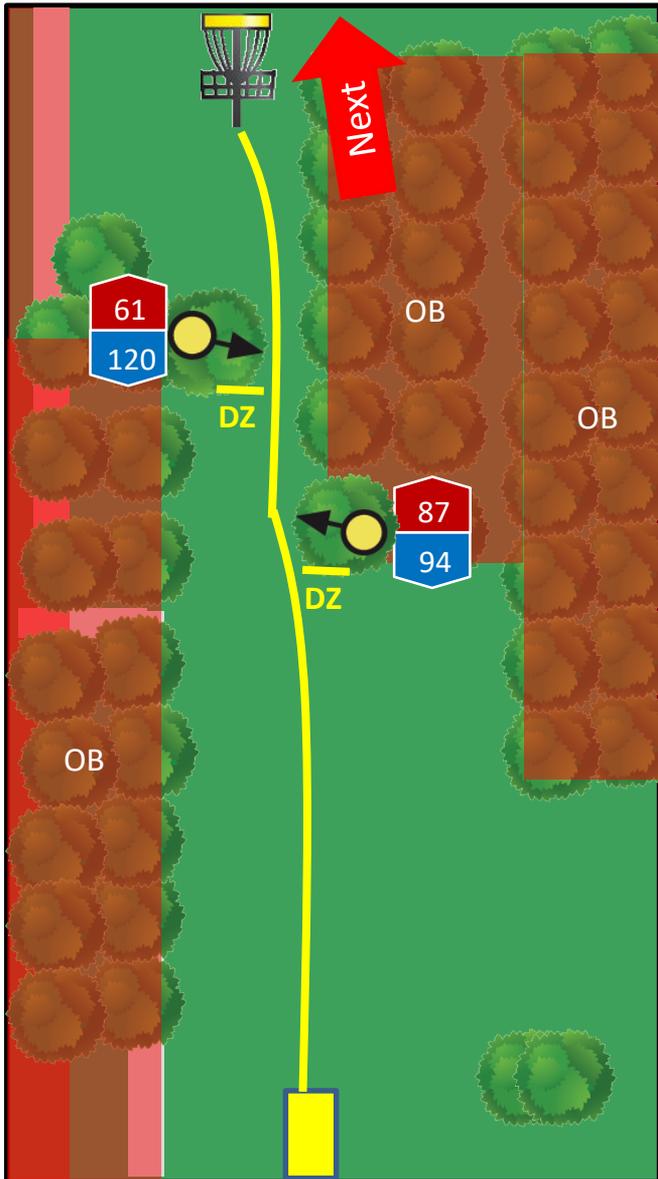

May the trees be with you.

Hole 3

Par 4

181m

Two Mandos:

1. Mando tree must be passed on the left side.
2. Mando tree must be passed on the right side.

The areas in between the trees are OB!

Paths left and beyond and behind the basket and beyond are OB.

Pay attention to pedestrians – play safe!

Hole 4

Par3

94m

Mando (yellow arrow): The tree must be passed on the left side.

The path to the left and beyond is OB.

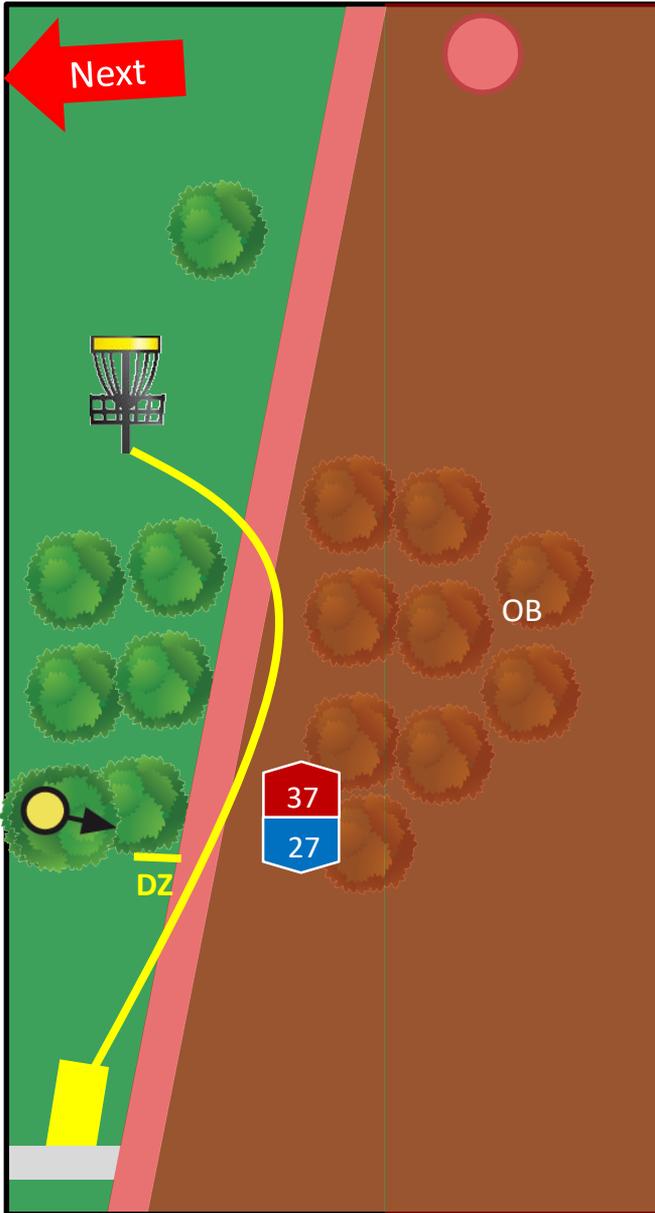

Only throw when it is safe!
Have fun!

Hole 5

Par3

64m

Paths and beyond are OB. Bushes to the left are safe.

Mando to be passed on the right side.

Beware of pedestrians and only play when it is safe to do so.

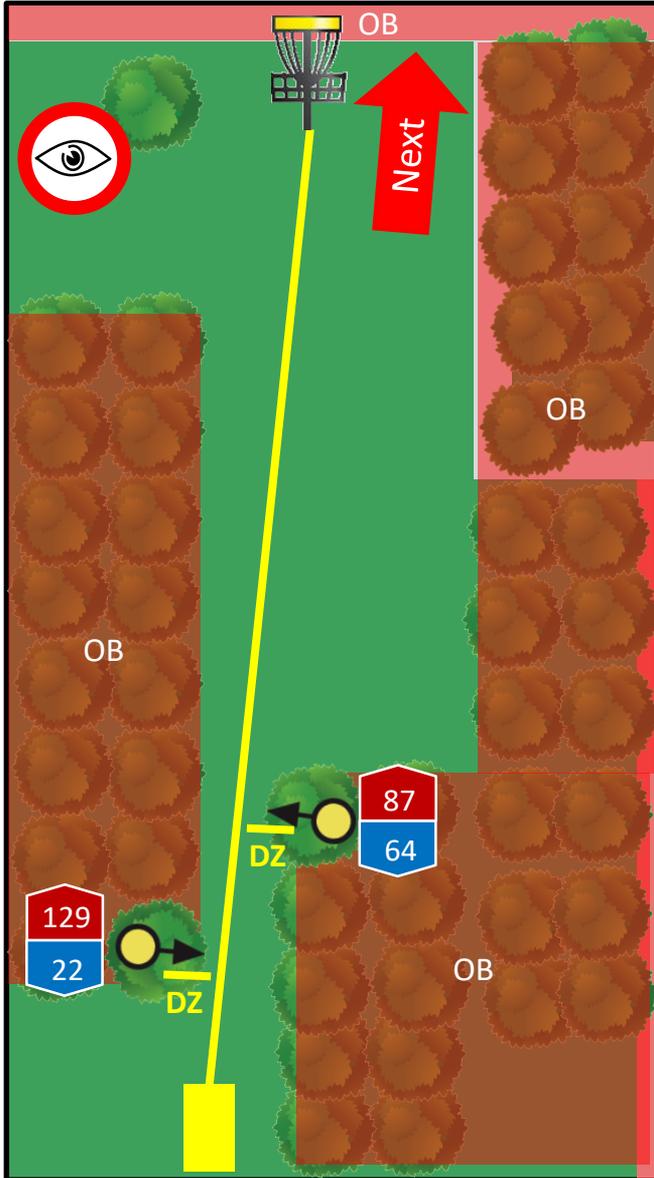

Watch for bikers and pedestrians!

Hole 6

Par4

151m

The paths behind the basket, and beyond, as well as to the right and beyond are OB! The areas between the trees are OB! The tree OB area to the left proceeds and includes the Vattenfall property in this area.

1. Mando: Tree needs to be passed on the right.
2. Mando: Tree needs to be passed on the left.

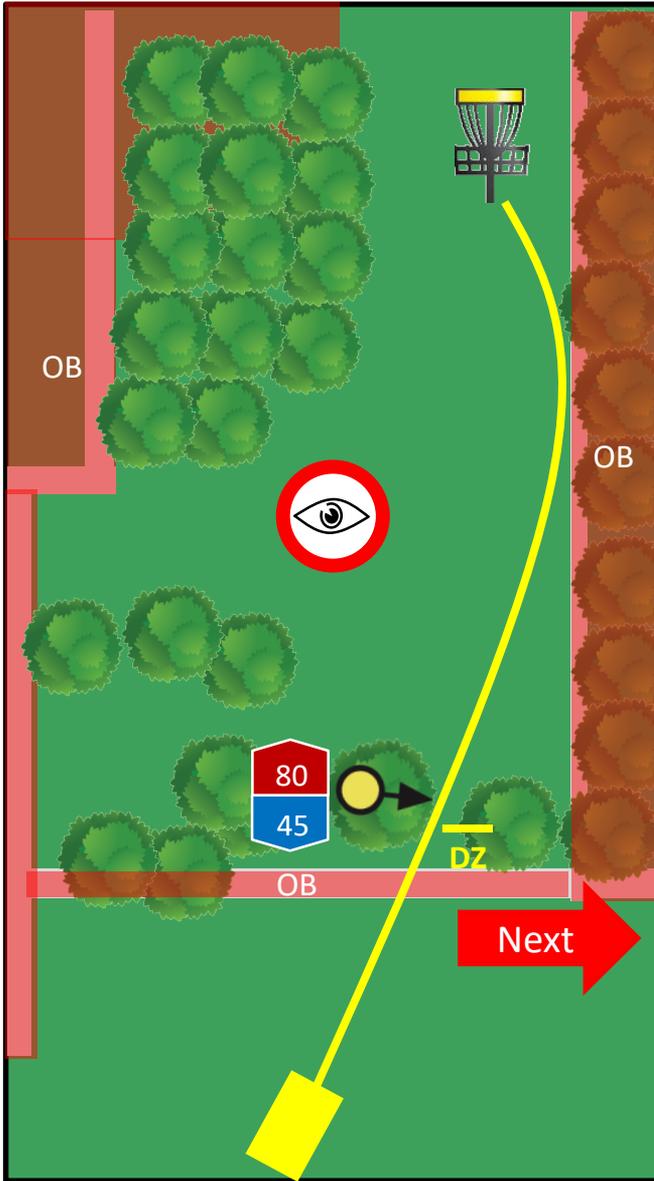

Enjoy the course and spot for bikers or pedestrians!

Hole 8

Par 3

125m

All paths, paved areas and beyond are OB.

Mando (yellow arrow):
Tree must be passed on the right side.

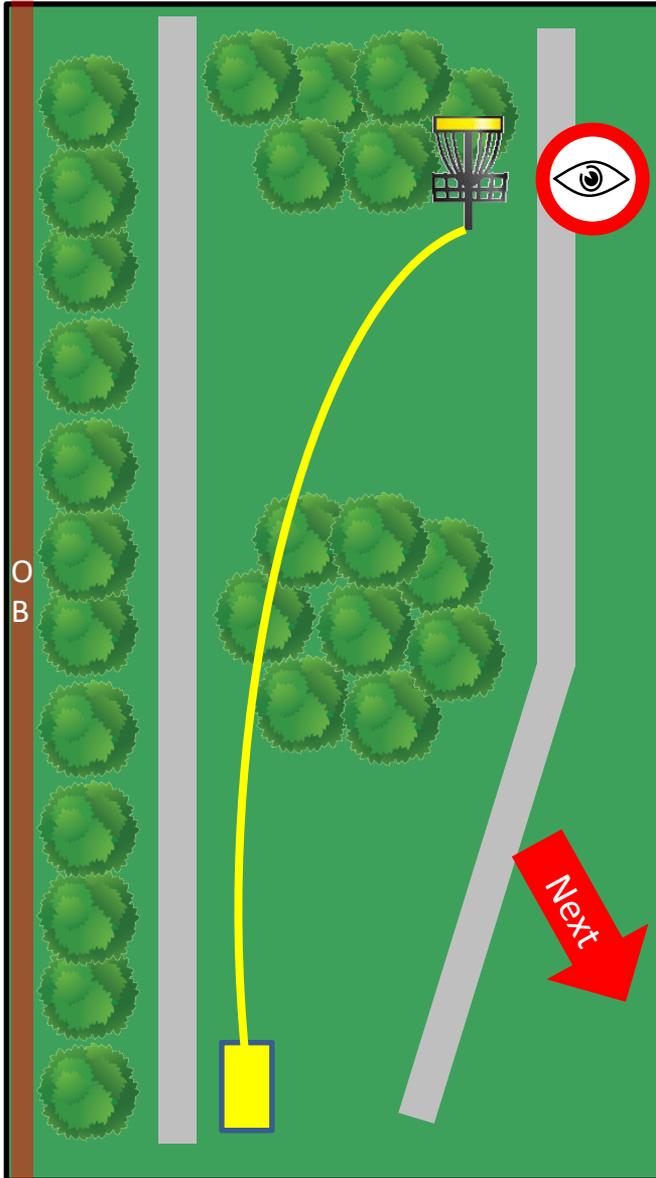

Spotting is required!
This is a tough birdie...

Hole 9

Par3

75m

Finally the paths are not OB. But if you land on the other side of left fence, you are OB.

The building to the right is only OB if you land on top of it or in the inner yard, marked by the buildings walls.

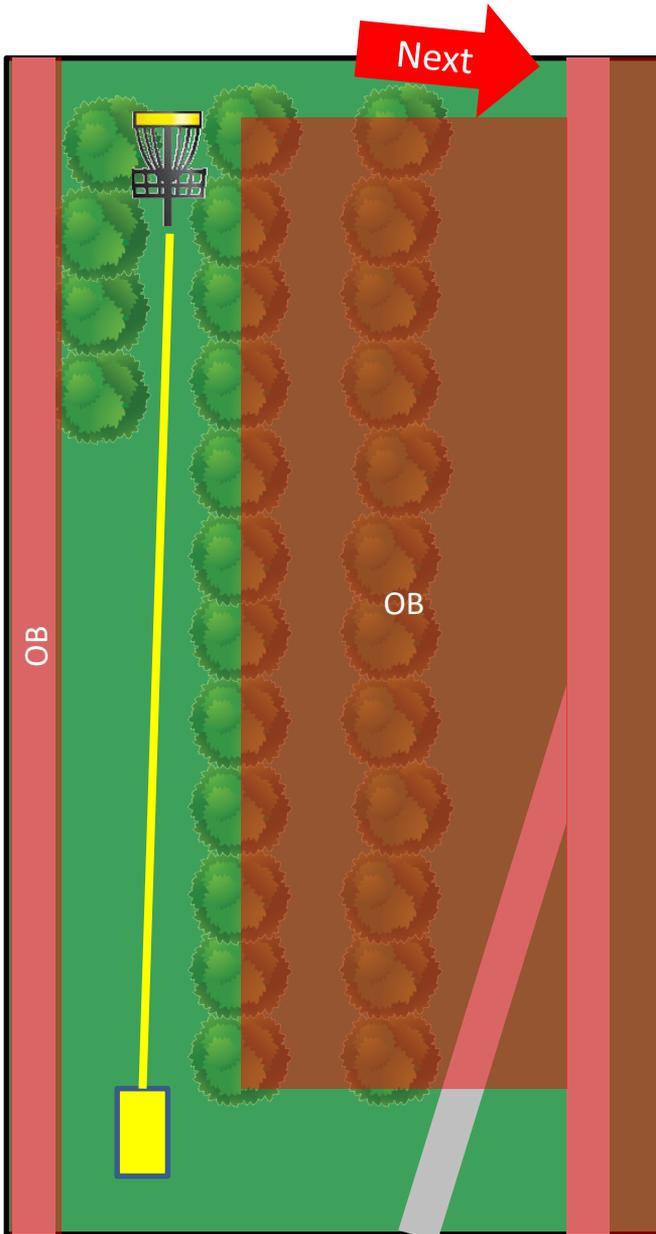

Please spot!

Time for a birdie? Go for it!

Hole 10 Par3

94m

The buildings on the left are OB. The paved areas in front of the buildings are not OB. If you land on any balcony, you are OB.

The parking lot is OB after the curbe. The small paved area before the actual parking lot is not OB.

The area in between the right tree lines is OB, up till the path and beyond.

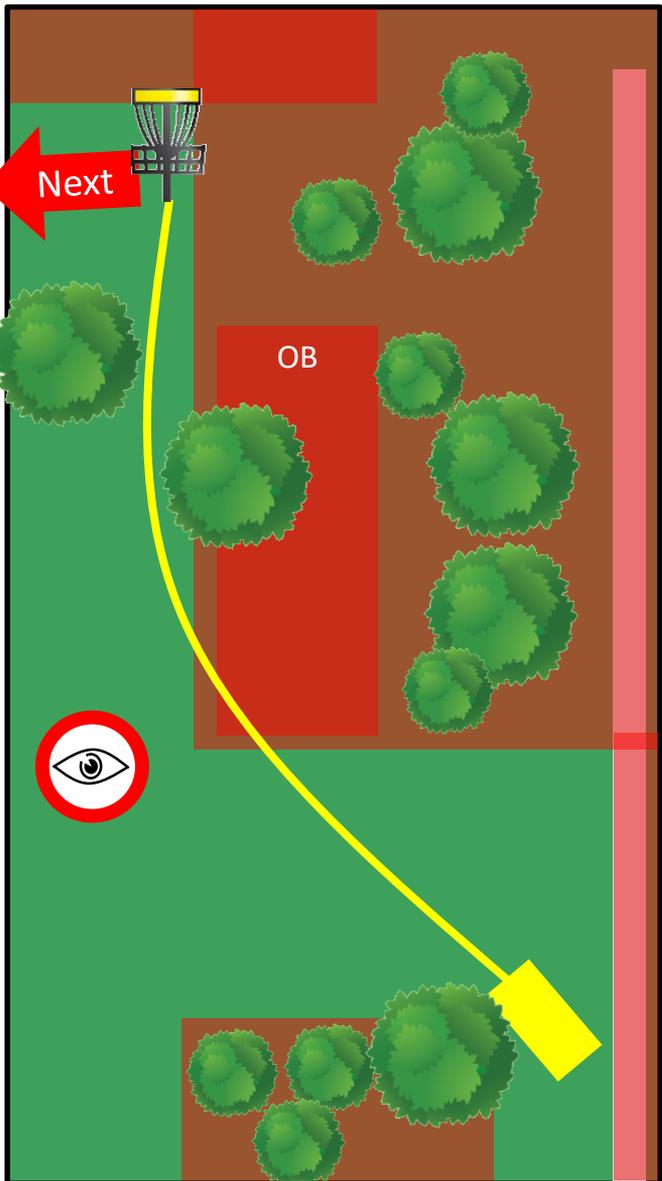

**Straight shot required.
Make it happen – do it!**

Hole 11

Par3

72m

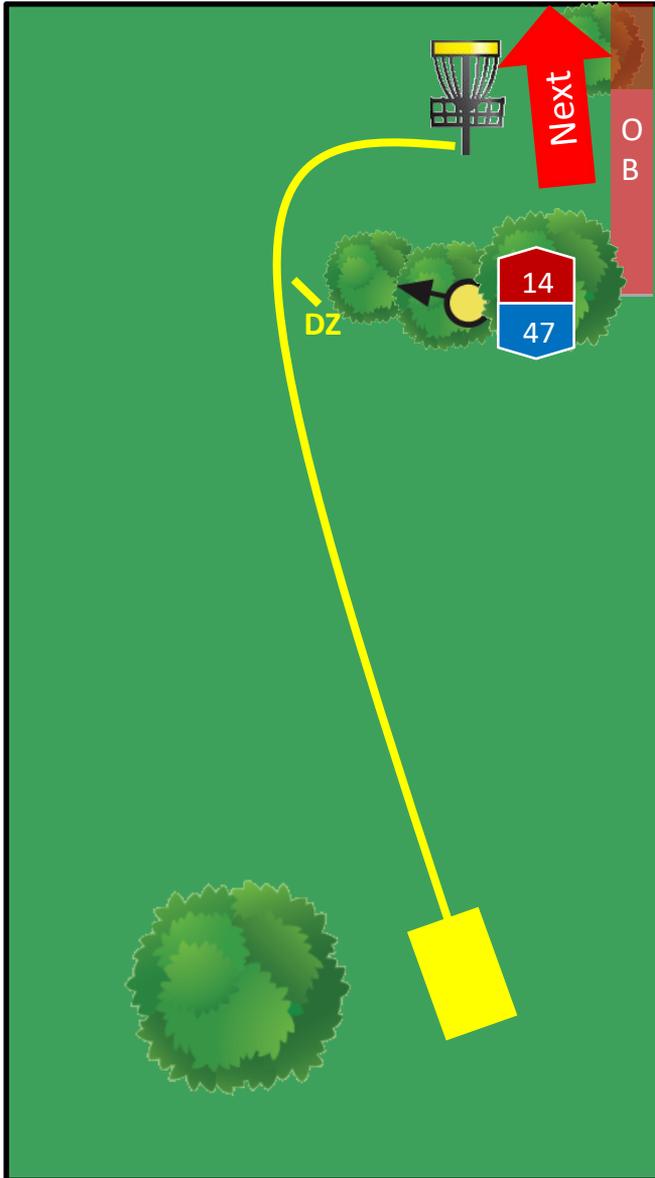

Spotter required.
Watch out for pedestrians on the elevated area.

All elevated areas are OB. The flowers in front of them as well. Over the fence behind the basket is OB. The OB line from the flower bed is prolonged towards the fence, which is marked.

Go for that birdie!
Stay out of trouble...

Hole 12 Par3 61m

Another mando. Tree to be passed on the left side.

If missed, play from previous lie or go to the drop zone. Both with a penalty stroke.

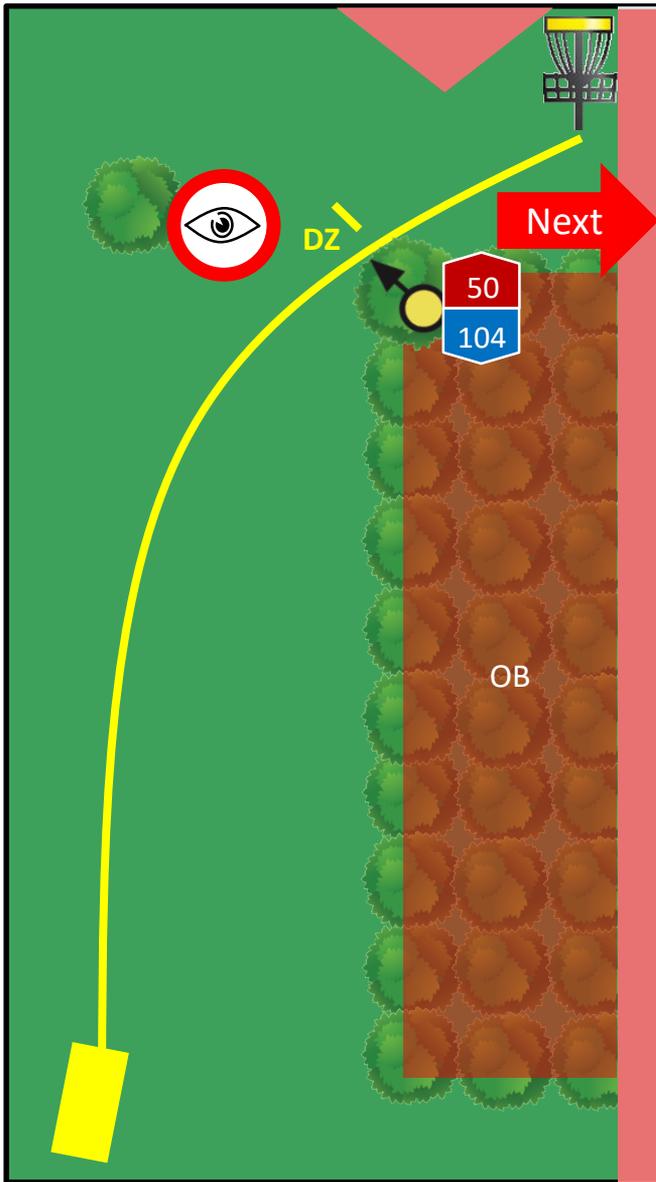

The building itself is OB if you land on top of any building part. The paved area in front of it is not OB.

The path to the right behind the basket is OB.

**Ace Pool paid?
Do it !**

Hole 13 Par 4 154m

Mando tree to be passed on the left side.

The elevated area, all paths and beyond are OB. The flower bed in front of the elevated area is OB.

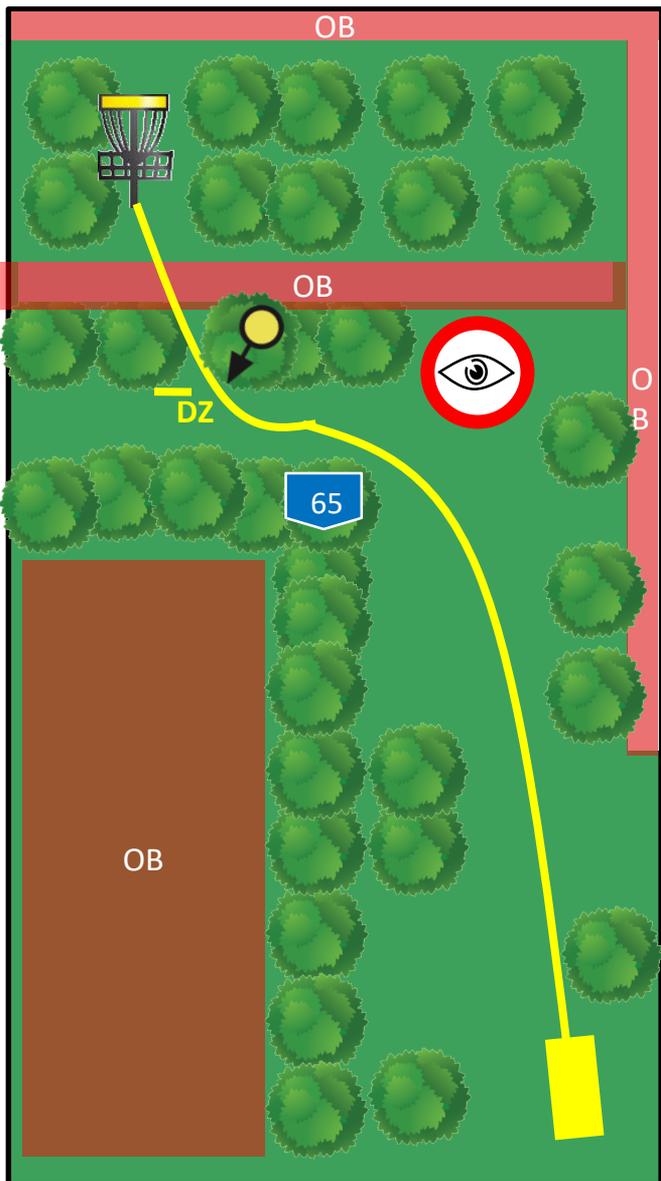

The tree area to the right is OB up to the path and beyond.

Underneath the bridge is OB as well.

Eagle chance!
Roll it baby...

Hole 14 Par4 123m

All paths are OB! The path to the right and beyond and behind the basket and beyond are OB!

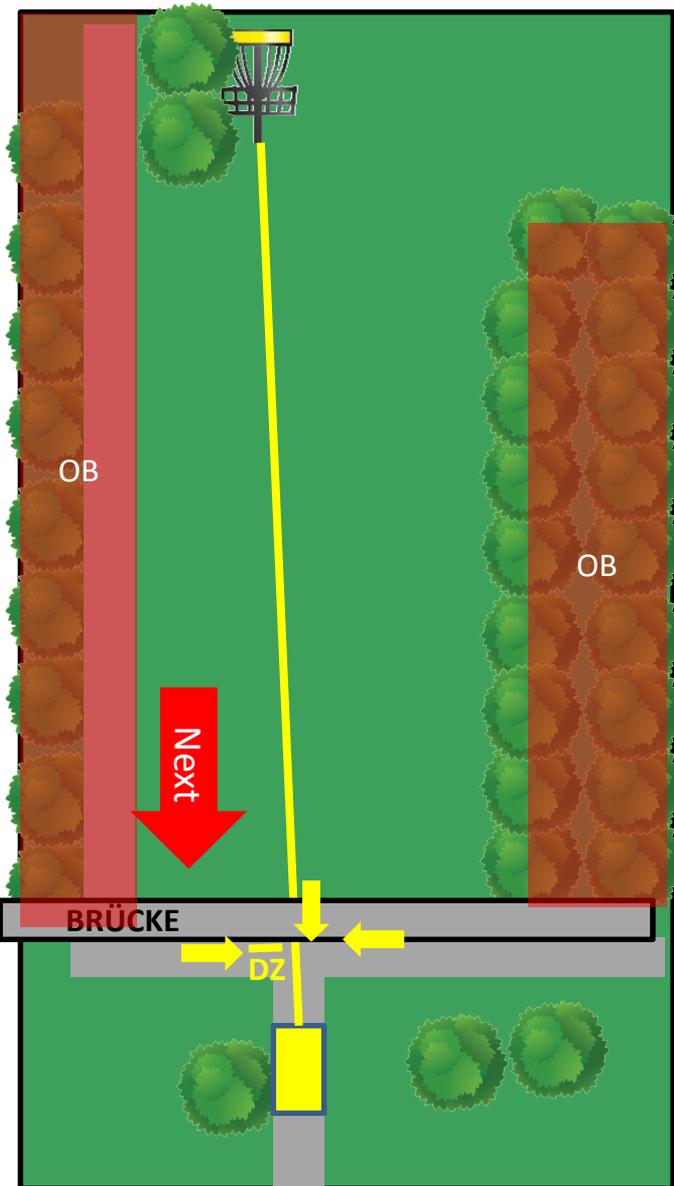

The buildings are only OB if you land on them. The paved area in front of them is not OB.

Mando tree needs to be passed on the left side.

CAUTION: X-ing fairways!
Spotting required!

Hole 15 Par3 111m

Triple mando: Need to throw underneath the bridge – see arrows!

The path on the left behind the bridge and beyond is OB.

The tree area to the right is OB.

Next tee is up on the bridge!

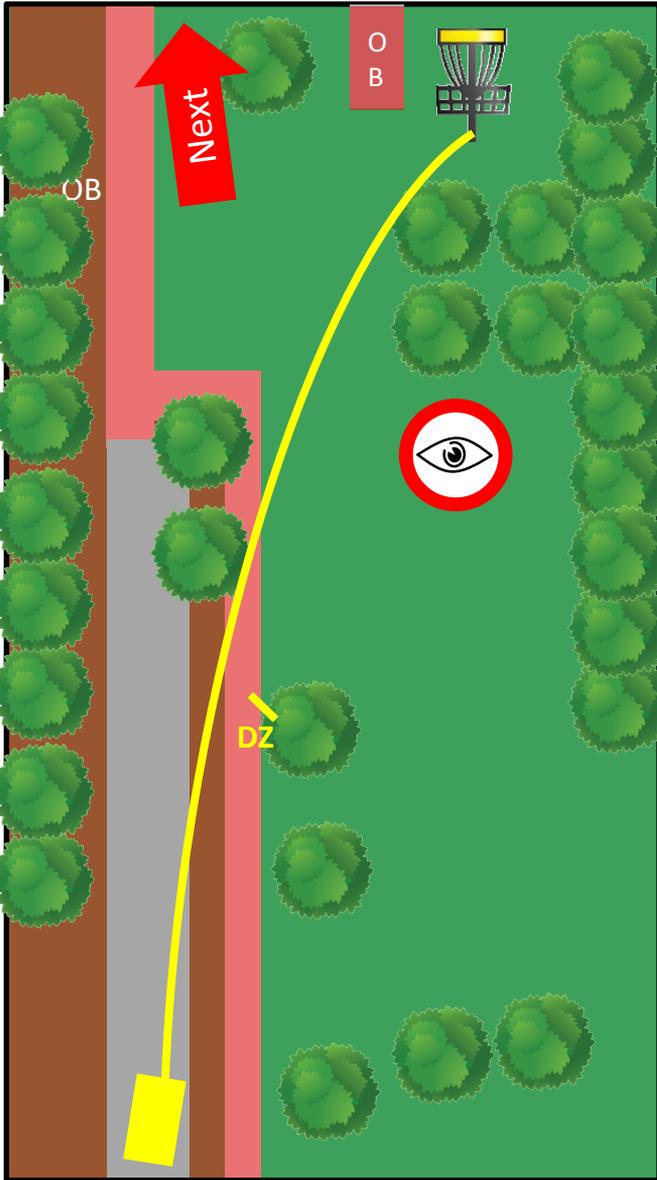

Try not to hit any cars.

=)

Hole 16

Par3

93m

OB rule. You need to cross the green in order to be safe. Spot for this!

The paths and beyond are OB. The buildings only if you land on top of them.

The little “hidden path” on the fairway is not OB. But the stairs are, if you land on them. The area in front of the stairs is safe.

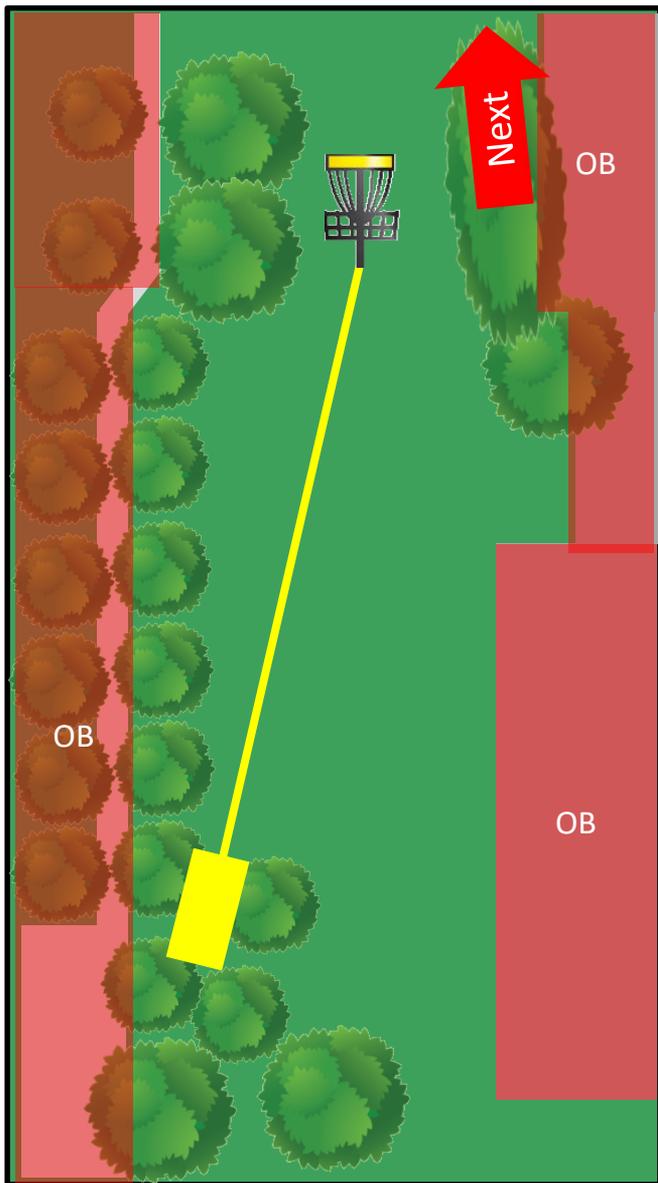

CAUTION: X-ing fairways! Spotting required!

Hole 17

Par3

65m

The paths to the left and beyond are OB, as well as the paved area. The building to the right is only OB if you land on top of it. Landing in front of it is safe. If you go beyond the fence on the right side, you are OB.

The bushes on the right side are hungry for discs...watch your throw!

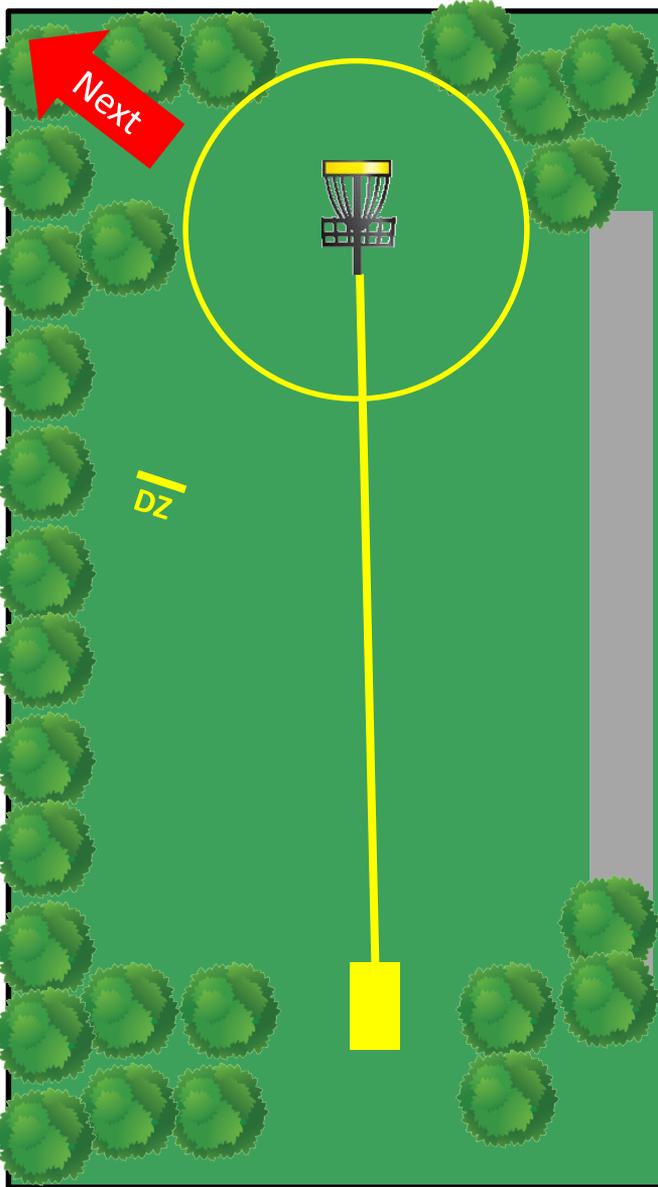

Watch your throw!

Birdie death putt training!

Hole 18

Par3

72m

Island hole:
If you miss the island, you can proceed to the drop zone with one stroke penalty or re-tee with one stroke penalty.

Hitting the building is not OB.

Your bag is the limit =)
